

# Google Essentials - Google Classroom

If you don't have experience with Classroom, please watch this [video](#) first.

## Google Classroom - Connect with your teachers and classes

Getting Started	Explore
Google Classroom combines Google Drive for assignment creation and distribution; Google Docs, Sheets, and Slides for writing; Gmail for communication; and Google Calendar for scheduling.	<ol style="list-style-type: none"><li>Go to <a href="https://classroom.google.com">classroom.google.com</a></li><li>Click on the G Suite Training Icon  and watch a video to learn something about Google Classroom. Choose a tutorial that will help you learn something new.</li></ol>
Classroom Stream	Explore
The Stream is the main page of each Google Classroom class. All assignments, discussion questions, and classroom announcements are displayed here.	<ol style="list-style-type: none"><li>Click on the  icon. What does this main menu include?</li><li>Click on the  icon again and scroll down and click on settings. What settings can you control as part of your classroom experience?</li><li>Explore the Topics in the Classroom. How can topics help you stay organized?</li></ol>
Assignment Workflow	Explore
There are 3 places students can view upcoming work: the class card on the Classroom home screen, the class stream, or in the "Work" section found in the Classroom Menu. For paperless assignments, teachers can distribute work and students complete and "Turn in" work.	<ol style="list-style-type: none"><li>Click on the join icon  and then click on "Join class". Use this code <b>7uaqvu</b></li><li>Open and complete the practice assignment that is found in the Neuqua Google Essentials Classroom.</li><li>Complete the assignment questions and turn in using the "Turn in" button.</li></ol>
About Section	Explore
The About Section of Google Classroom is a place for teachers to connect students to sites, forms, videos, and resources connected to the class.	<ol style="list-style-type: none"><li>Click on the About Section of the Google Essentials Classroom page.</li><li>What happens when you click on the "Google Drive Folder"?</li><li>What happens when you click on Calendar: "View in Classroom"?</li><li>What happens when you click on Calendar "Open in Google Calendar"?</li></ol>

Google Classroom also has both an [iOS Mobile App](#) & an [Android Mobile App](#). The mobile app provides full access to Google Classroom and Classroom reminders. You can also create and annotate work using the App.

Please continue to explore Google Classroom, help other students, or explore the [Google Classroom Student Information Page](#).
