We do not use your data for advertising, profiling, or any purpose beyond operating the App.

3. How We Share Your Information

We do not sell, rent, or trade your personal information to third parties.

We may share limited information only in the following circumstances:

3.1 Service Providers

We may use trusted third-party services to help operate the App (e.g. authentication infrastructure, cloud hosting). These providers access your data only as needed to perform their functions and are contractually bound to protect it.

3.2 Legal Requirements

We may disclose your information if required to do so by law, court order, or governmental authority, or if we believe disclosure is necessary to protect the rights, property, or safety of WorldPin, its users, or the public.

3.3 Business Transfer

In the event of a merger, acquisition, or sale of assets, your information may be transferred as part of that transaction. We will notify you via the App or email before your data is transferred and becomes subject to a different privacy policy.

4. Data Retention

We retain your account information for as long as your account is active. If you delete your account, we will delete or anonymize your personal data within a reasonable period, unless we are required to retain it by law.

You may request deletion of your account and data at any time by contacting us at the address in Section 9.

- Secure HTTPS connections for all data transmitted between the App and our servers
- Restricted access to personal data within our systems

However, no method of transmission over the internet or electronic storage is 100% secure. We cannot guarantee absolute security, and you use the App at your own risk.
