

Please write a short story, around three paragraphs to a page long, about a dog.

This dog can be one that you might own, or have had for a pet in the past, a friend's dog, or just an entirely made up story, not really based on anything.

Make sure it is in by the 17th of February, so I can post your grade.

Don't forget to fill out all of the required questions, so that I have all the information I need to post your grade.

Have fun!

Miss Adeline
