

- Angulan Knights (he/him)
 - A paramilitary organization filled with boorish frat boys. The Angulan Knights find a region filled with conflict, join the fray (often making things worse), and leave with all of the glory.
- Anastasia Brackleberry (she/her)
 - Queen of Ancuan and Rei Brackleberry's niece.
- Angelina Lexington "A.Lex" (she/her)
 - Treasurer of Ancuan, paper airplane enthusiast, and member of the Brackleberry Brigade. Played by Ari.
- Ancuan
 - A nation of the Steadfast with middling power, led by the Brackleberry family.
- Queen Armalu (she/her)
 - The very very elderly queen of Charmonde. Obsessed with cleanliness and suspicious of pretty much anyone.
- The Brackleberry Brigade
 - A group of diplomats with unconventional methods who tend to create a lot of collateral damage. The protagonists of *The Cookie Crew* side-series.
- Chitters (he/him)
 - Sera's animal companion. A sugar glider that really likes cuddles.
- Empress Challadien III (she/her)
 - The empress of the Pyranthion Empire, who was won over by Anastasia when the Brackleberry Brigade offered her a box of very delicious cookies.
- Brett
 - The leader of the Angulan Knights with pink hair.
- Charmonde
 - The capital of the nation of Navarene and one of the superpowers of the Steadfast; a city whose only obsession greater than its queen is going to war with Qi.
- Chett
 - The leader of the Angulan Knights with blue hair.
- The Council of Spheres
 - An oligarchy of literal spheres that serves as the rulers of Qi and headmasters of the University of Qi.
- The Dine-o-Saurs
 - A robotic band starring Oetiquette Rex, Pterosnacktyl, and Salad Raptor.
- Elee Badge (she/her)
 - One of the protagonists of the main *Quest Friends!* campaigns and Rei's ex-ex-girlfriend.
- Eraf Xindal (she/her)
 - A close confidant of Anastasia's with a dubious past that ~~maybe~~ definitely involved sucking out people's brains. With pipettes. Member of the Brackleberry Brigade. Played by Cassidy.
- Frank (he/him)

- A cookie salesman Hannelore briefly entrusted the Red Mary to at the beginning of *The Cookie Crew*.
- Hannelore Dunn (she/her)
 - A mechanic who loves fake moustaches almost as much as she loves her machines. Member of the Brackleberry Brigade. Played by Olivia.
- The Incredible Igneous Artiste of Astaria “Ig” (she/they)
 - A jovial young nano with uncontrollable fire powers. Member of the Brackleberry Brigade. Played by Emily.
- The Jagged Dream
 - An organization that believes that change and conflict are intertwined. As a result, they have tried countless times to spark global war in an attempt to help humanity “evolve.” Their last attempt was thwarted by the Quest Friends.
- Jameson Hopper (he/him)
 - The cowboy-esque protagonist of a series of obscure children’s novels/historical texts (it’s never really been clear which).
- Madeline Jefferjames (she/her)
 - Ancuan’s main diplomat, the country of Numenerica’s presidential candidate, and A.Lex’s rival/lover/???. She wears heelies.
- Numenerica
 - A nation to the West of the Steadfast that’s just the United States of America from the early 1800s. Madeline is currently running for president after the events of [The Cookie Candidate feat. Totalus Rankium](#)
- One-Eyed Joe (he/him)
 - Jameson Hopper’s archnemesis. Has three eyes.
- Oto (he/him)
 - Anastasia animal companion. A loyal if easily annoyed hawk.
- PB&J (she/her)
 - Poppy, “Black-Eyed” Susan, and Jonquil. Three pirates who briefly kidnapped Madeline during the events of [The Cookie Crew](#). Jonquil has been roller-derby rivals with Madeline since before that adventure.
- The Prodigious
 - A titanic airship that hosted students from the University of Qi and also served as a sign of Qi’s unstoppable wealth and strength. Was very easily blown up.
- The Pyranthion Empire
 - A formerly imperialist nation that has very recently stopped its conquests, in large part due to its burgeoning relationship with Ancuan.
- Qi
 - One of the superpowers of the Steadfast; a city whose only obsession greater than productivity is going to war with Charmonde.
- The Red Mary (she/her)
 - A VW Bus that’s Hannelore’s pride and joy.
- Rei Brackleberry (she/her)

- Anastasia's aunt and puzzle aficionado. Currently leading a peace conference between the nations of the Steadfast.
- Sea Kingdom of Gahn
 - A nation of the Steadfast with limited power. Mentioned briefly in the [The Frozen Factory feat. PONTIFACTS](#)
- Sera Brackleberry (she/her)
 - Rei's daughter and former mechanic of The Prodigious. Blew up the ship in an attempt to thwart an attack, inadvertently increasing tensions between Charmonde and Qi.
- The Steadfast
 - A heavily-populated region of The Ninth World comprised of nine nations. The Steadfast considers itself the center of civilization, which is a dubious claim at best.
- strainless steel
 - A type of steel that (supposedly) does not strain.
- TJ Blazes (he/him)
 - The owner of the novelty restaurant DJ Blazes Dinos, Drive-Ins, and Dives. Like Guy Fieri, but more
- triangle squares
 - Cookies made from a Brackleberry recipe. They are both triangle and square.
- trilovebites
 - Small romantic treats based on an early form of arthropod called the trilobite
