

Environmental Education Teacher  
Sandia Mountain Natural History Center, Los Padillas  
Wildlife Sanctuary &  
New Mexico Museum of Natural History & Science

**Job Title:** Environmental Education Teacher- New MexiCorps position

**Position Description Environmental Education Teacher**

This Environmental Education Teacher New MexiCorps position will serve as an environmental educator based out of the Sandia Mountain Natural History Center, the outdoor education site run by the New Mexico Museum of Natural History and Science.

**Duties:**

Lead environmental education field programs at the Sandia Mountain Natural History Center, Los Padillas Wildlife Sanctuary, the New Mexico Museum of Natural History and Science and various wild areas around New Mexico. The programs consist of field-based stem activities while on 1.5 to 2-mile hikes in wild areas around New Mexico. While at the New Mexico Museum of Natural History and Science, education programs will consist of classroom visits in local schools and site visits to libraries and events across New Mexico. The Environmental Education Teacher will also work to facilitate collaboration between the SMNHC, Los Padillas, and NMMNH&S to better serve the youth of New Mexico. Position may also include some light trail maintenance and building as well as helping with various science and data collection projects at the SMNHC. The Environmental Education Teacher will work 3 days a week, one day with each location. Mondays will be spent at the SMNHC, Fridays will be at Los Padillas and the third day will vary depending on the NMMNH&S needs. The schedule may vary depending on the needs of the three locations. This position will require 675 total hours between mid October and mid July 2025.

**Qualifications Required:** Bachelors Degree or working towards degree in Education, Environmental Studies, Biology, Ecology or other applicable area.

**Conditions of Employment:** Desire to work with youth in the outdoors, ability to do physical labor and hikes at elevations of 7,000+ feet, working knowledge of Spanish desirable, occasional weekend work, authorization of a criminal background check and satisfactory result. APS Background check

**Compensation & Benefits:**

- o \$16.67 per hour
- o \$2,817.14 Education Incentive when term is completed
- o 675 hours
- o Gain great teaching experience, including NMMNH&S training and continuing education
- o Beautiful work environment
- o Free admission to NMMNH&S & programs

**Application Procedure:** Open until filled. Please send a one-page cover letter, resume, and names and phone numbers and/or email addresses of three professional references to:
