

Problem in words	Problem in Code	One possible solution
<p>1 Draw Shapes</p>  <p>Scratch should draw a square, pentagon, and hexagon but instead he draws three squares.</p>		
<p>2 leap</p>  <p>The dinosaur won't use the distance input by the user to do her leap.</p>		
<p>3 translate</p>  <p>Message does not change, can you fix it?</p>		
<p>4 Magic</p>  <p>Spacebar should reset and clear screen, can you fix?</p>		

5 joke

First penguin won't say the punchline correctly. Can you fix?

```
when space key pressed
switch backdrop to Winter
set joke number to pick random 1
talk Knock Knock! for 2 seconds
broadcast saywhosthere and wait
talk item joke number of names
broadcast saywho and wait
talk item 1 of punchlines for
broadcast laugh
talk Hahahahaha! for 2 seconds
switch backdrop to Winter2
```
