

Unhiding a Shared Drive

The Progress Monitoring Shared Drive may be hidden in Google Drive. Here's how to unhide it.

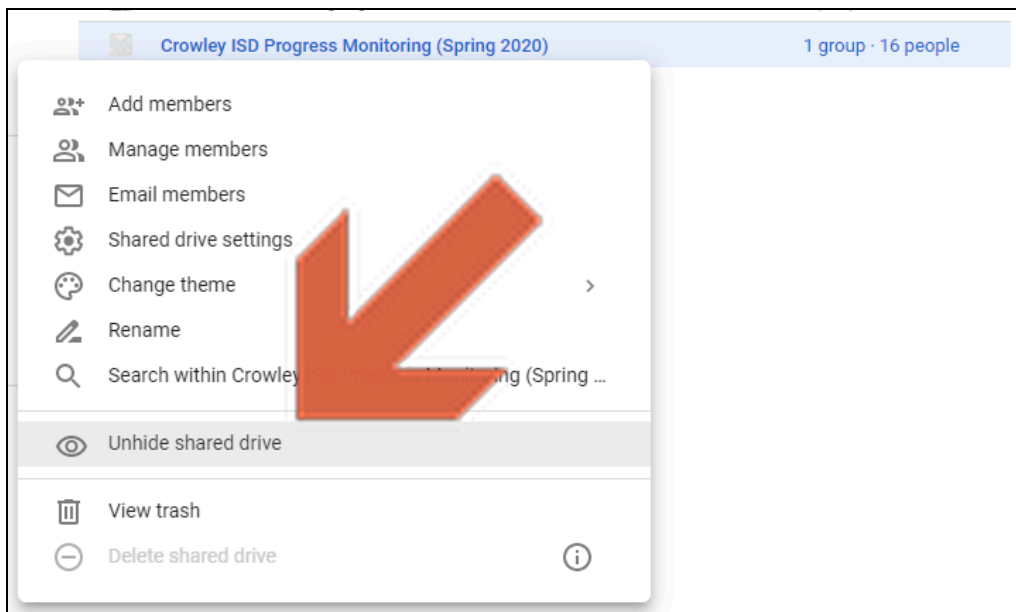

1. Navigate to **Google Drive** (drive.google.com).
2. Click on **Shared Drives** on the left-hand side.

3. If you don't see the Drive labeled "Crowley ISD Progress Monitoring (Spring 2020)," click on **Hidden Shared Drives** in the top right-hand corner.

4. **Right-click** on the appropriate Shared Drive and select **Unhide Shared Drive** from the menu.

5. Select **Back to Shared Drives** from the top right-hand corner.
