DESE has revised the Individualized Education Program (IEP) form and is working with Massachusetts districts to implement the new form **beginning Fall 2024**. Parents and guardians will notice changes in layout, in the listing and identification of accommodations and modifications, and in the format of the goals and objectives sections. We welcome Dr. Nadene Stein, Assistant Superintendent of Pupil Personnel, to walk us through the changes and what we can expect.

Also – the **FY24 WPS School Budget** is being presented in February. **Make sure our kids are being fully funded!** If you would like to receive updates on the school budget and more, email the Waltham SEPAC at walthampac@gmail.com to get on our distribution list.
