

Dear Parents of High School students,

This bus route schedule is being provided for the 2025/2026 school year. The bus stops and routes have been created within the board policy of not more than one mile from a student's home to a bus stop. Please do not request bus stop changes to get closer to your home as time will not allow us to do door to door service. If you feel your child is walking further than one mile to his or her stop, please call the Transportation Department to have a bus stop request form mailed to your home. There will not be any changes made during the first four weeks of school. All bus routes and stops are subject to change throughout the school year. Please visit our website at [gbcs.org/transportation](http://gbcs.org/transportation) click on Bus Routes and Information for updated routes.

**\*Please have your student(s) at the bus stop 5 minutes before time that is listed and ready to board the bus**
