I. SCOPE OF POLICY

This policy applies to all Augsburg University ("Augsburg" or "the University") students.

II. POLICY

Students are eligible for a 100% tuition refund for any courses they drop without notation through the date labeled "Last day to drop without a 'W' grade & 100% refund – Full Semester class*" on the Academic Calendar. After this date, students are no longer eligible for any refund of tuition unless they withdraw from all of their courses. This policy is effective whether or not a student has attended classes.

Students withdrawing from all of a term's courses may receive a 50% tuition refund when they withdraw by the date labeled "Last day to withdraw from all classes with 50% refund – Full Semester class*" on the [Academic Calendar](#).

If you are dropping or withdrawing from a course, other than a Full Semester course, please contact Student Financial Services to review the tuition refund policy.

Please note that this policy does not apply to study abroad and study away programs, which are administered by Augsburg's Center for Global Education and Experience (CGEE). For refund policies pertaining to study abroad and study away, students should review the CGEE cancellation agreement for their individual program.

Students wishing to petition the Tuition Refund Policy should complete an Academic/Financial Petition, available on the [Registrar's Office forms page](#).

III. REVISION HISTORY
