Publications

- [A Sharper, More Lasting Pain](#) – A sapphic fantasy dark academia novel centering three Casters at a magic college and the monstrous tragedy that unfolds around them.
- [Pillow Talks](#) – After Rose breaks the news she's moving in with her boyfriend, Kim is certain her chance to tell Rose how she feels is gone. When the two of them get locked inside an IKEA overnight, however, a harebrained scheme may be enough to shift the dynamic between them. *Originally wrote for NYC Midnight 2022*
- The Comforts of Home – Winona Hargrave has sacrificed everything for her girlfriend Violet. She abandoned the gods she once worshiped, restructured herself to fit Violet's needs, and certainly did her best to mask her autistic tendencies. Then Violet decides she doesn't want to be with her anymore and Winona's life is upended. Though she is no longer sure just who she is without her ex's influence, the kind handpan player she comes across in the midst of her devastation may have the push she needs to rediscover herself and reconnect with the deities she loves. Part of *Reverent: An Anthology of Divinity*.
- [The Temple on Cicaro Hill](#) – The temple is all Muirenn has ever known. After years of turmoil and abuse, they take their fate back into their own hands. Part of *Myths, Legends, and Dreams: A Worldsmyths Anthology*.
- [Within These Twisted Vines](#) – Isabella Herrera is the latest in a strange string of missing women. Her best friend, Macy Floros, was the last person to speak to her. With search parties turning up nothing and Macy's desperation growing, she turns to Dionysus for answers and becomes enthralled in His local cult. Part of *Darkness and Moonlight: A Worldsmyths Anthology*.
- [When the Stars Were Brighter](#) – A collection of short stories branching across genre and space. Enclosed are tales of goddexxes raised in cults, modern maenads searching for their missing best friends, women finding love in ancient Greece, mecha pilots embroiled in generational contracts, and more...

Commissions

- Fireweeds and the People Who Destroy Them - Coffeeshop AU of the Mystery Skulls Animated song, "Ghost". Commission for MetalFatigue on Tumblr

In Progress

- *A Bitter-Tasting Blood [Drafting]* - u/c
- *The Distance Between Stars and Salt [Zero Draft]* – after a year without her wife, Edera finds her life in turmoil after Seren reveals the devastating and likely deadly quest she's been assigned. No matter what lies in wait for them at the end, Edera is certain only that she cannot allow her wife to face danger without her.
- *Honey, Intravenous [Drafting]* - After her latest plasma donation goes awry, Venus Stellato finds herself in the company of a blood-obsessed woman with a very tempting offer...
- *Those Who Emerge From Ashes [Outlining/Drafting]* - 800-year old living corpse tries to revive the gods and gain their forgiveness.
- *We Do It All For Sport [Rewriting]* - The warrior has resigned herself to her fate and fight in the coliseum until she dies. Still, if anyone is to kill her, she wants it to be Kagaleth, the manticore warrior striking fear in the hearts of men. When an infection turns particularly nasty, the warrior thinks she may finally get her wish.

Hiatus

- *Across This Hollow Distance [Drafting]* - When Rianne is married to a dead woman to benefit her family, she isn't sure what to expect. Certainly not that her wife is actually alive.
- *Before the Moon Sets [Drafting]* - u/c
- *Crowsong* - Jayashekar's life is a mess. The only thing that brings him solace is his murder of crows.
- *Dermatillopsybin [Drafting]* - u/c
- *Gold Coins for Good Measure* - An avid video game player's gaming session glitches out. Now her avatar's weapons are useless!
- *Heat of the Sun* - It's the kind of summer day that's hot enough to turn you into a sloth. The perfect day for an ice cream date.
- *Polaris* - Cynthia can't cope with life. Hayden wants to fix that. Not a love story.
- *Storm Rage* - The Raven Dominion, a guild of adventurers and the sole source of income for the island of Pymte, has gone missing. It's up to three adventurers to bring them home.

Short Stories

- [All Is A Simple Game](#) - Lacey Goodwin likes jacking cars. That is... until she finds a corpse in the back of her newest steal. *Tag, you're it!*
- [Between Lonely Ghosts](#) - A witch summons a demon and gets more than she bargained for. NSFW.
- [Coffee Shops and Failed Porn Stars](#) - Jack used to be a porn star. He also used to never go to Starbucks, or consume sugar. Now that he's been fired, Jack says *fuck it*.
- Gestalt - When a new, unorthodox form of marriage counseling becomes available, couple Adam and Eve, already at their wits' ends, are desperate to try it. Combining bodies, the two form a Gestalt, an amalgamation of the two of them. In the process, Adam discovers an important secret about herself...
[Completed, in need of revisions]
- In Time for the Wedding - u/c
- [Leather and Ivy](#) - Quinn and Lorne are celebrating Yule when Quinn decides to get a bit... creative with the decorations. NSFW - involves bondage.
- [Morbid Fixation](#) - Two serial killers come across each other in the woods while burying their newest kills. A dialogue ensues.
- [Sloth](#) - A teenage boy kills himself in his favorite zoo exhibit. One of the residents of said exhibit notices. [Told from a sloth's perspective]
- Sumeba Miyako *[Completed, unavailable anywhere]* - They met in the middle of a rainstorm. Now, decades later, Aria and Sutorimu are honoring the memories of their human friends.
- The Curse of Floraroma Town *[Completed, unavailable anywhere]* - An entire village finds themselves plagued with fantasy hanahaki disease, forced to watch as they all die one by one.

Novellas

- [.Blank](#) - Amanda Briars is supposed to be enjoying this Halloween party - except now it's November first and she's locked in a basement with no memory of how she got there.
- [Midnight Darlings](#) - These two journalists just can't seem to get a break. Now they have to solve a murder, too?

Novels

- God-Slaying Machine [*Completed, Revisions needed*] - The perfect race of humans has come. There's just one problem: they're the ones who can kill us all.
- [Lilium](#) - Lilith is alive. Oliver is not. Lilith is trying to cope with Oliver's death. Oliver is just trying to keep his non-supernatural sister safe.
- To Our Own Devices [*Completed, Unavailable*] - a politico-comedic fantasy romp in which Quinn and Lorne, two everyday-men, decide to find and rescue a royalist to quell their mayor's tyrannical plot.

Fanfiction

- [Handle With Care](#) - Your friend has something to show you. At least, that's what they said when they summoned you to their basement at midnight. You hope it's worth it.
- [Hallucinogenic Philosophy](#) - Willow wakes up with her lighter and the clothes on her back and just wants to set shit on fire. However, there's also the deal with how she ended up in the middle of nowhere. She'll have to think quick in order to survive in this new world.
- Stasis [[AO3](#)/[FF.net](#)] - Chara relives their death over and over and over again... until Frisk falls into the ruins. Finally... maybe... Chara believes they can finally break the cycle and pass the curse along.
- [The Color of the Moon](#) - DDADDS fanfiction. Robert and Damien have a cutting good time. NSFW

Future Projects/Ideas

- *A Harsher, More Lasting Monstrosity* – One year after Etienne LaChance’s brush with death, he’s determined to put the past to rest. With the help of his newfound alcohol habit, he thinks he can float by. That is, until one of his most bitter hatreds—his ex-boyfriend—arrives on his doorstep with life-changing news. Is he willing to risk everything to wrestle his best friend back from the jaws of monstrosity?
- *Broken Mirror* – 12 jurors decide the fate of someone accused of murder, all the while pondering how this affects them in addition.
- *Charlie Fizzborne on Saving the World* – Charlotte is not good at her job. Neither are her friends. Too bad they’re tasked with keeping their city from disaster.
- *In Our Blood* – The adventures of two queer witches who form a harem of monster girls and wonder how to cope with life.
- *Iridis* – It’s six months after Lilith disappeared, presumed dead. Her father and his girlfriend have vacated the town. Less and less people remember Lilith Johnson, and yet... Jack Zavala is certain her best friend is still out there, somewhere.
- *Little Vicious Minds* – A young criminal mastermind will do whatever it takes to get her missing sister back
- *Negative Space* – A lost soul recounts the loss of their beloved friend.
- *On A Black Moon Sea* – A pirate girl seeks revenge on the man who broke her mother’s heart. Inspired by “The Mariner’s Revenge Song” by The Decemberists.
- *Out of Focus* – Charlie is a revenge-seeker for hire. That is, until someone wants revenge on him.
- *Sleepwalking With Strangers* – [name] attempts to astrally project and ends up having an... interesting conversation with the souls she comes across.
- *Stealing Flowers from Gravestones*– In the 1920’s, a young couple in love was viciously murdered in their apartment. Nearly 100 years later, a new couple is just beginning to make it in the world... and then one of them starts having visions of their own demise. They’ll have to race against time to solve where their past selves went wrong before it’s too late to save themselves...
- *The Unholy Confessions of Adelaide Tate* – A full vampire with severe bouts of ennui goes through a trip of soul discovery as she kills half-vampires and wonders why she does it.

- *Two of Cups* - What starts as a tarot reading turns to something more...
- *Untitled 2* - A girl makes copies of herself, unaware of the consequences it has.
- *The UnderGuro Squad* - A collection of monster people fight crime in their town.
