Last Name: Theodorou	First Name: Antria
Subject Area (please indicate)	
Art & Design Media	

2. Major Project <i>please complete the following details:</i>
Continuation Route: Architecture BA (Hons)
Project Title:
Project Aims and Objectives: This is about my architecture major project , the idea is about designing a modern-futuristic three tower building named 'Tribrid' (which means 3 things together) inspired by alien life and space .This building will be located in Tokyo and it will be a residential and office building ,the one tower will be the home area where the apartments will be , the second will be the work area and the third one will be the entertainment area with restaurants , cafes, sitting areas etc for everyone living and working there .Every tower will have 50 floors and all three will be connected with an ongoing bridge so people can have quick access to every area. It will be build like a smart home building with new technology available in all areas. I will create boards showing the planning,drawing and digital designs,floor plans, sustainability and materials information . The project must be completed by the deadline which is beginning of December.
I will be researching the following artists / designers / media producers: Zaha Hadid Norman Foster

Oscar Niemeyer

Towers and multi-use buildings

Materials and sustainability

Demographics - business people

I will be using the following Digital Software:

Autocad/Sketchup

Photoshop

Wix

Blogger
