Dan Colbert - Chalfont Borough Council (incumbent)

I've now served just over a year on Chalfont Borough Council and it has been an enjoyable and rewarding experience. I've come to appreciate that our mission is to keep Chalfont physically and financially healthy, quiet and safe, and the kind of place that people want to live in. And, as I had hoped prior to being elected, I'm finding my professional work experiences are serving me well in understanding the work we do and its importance to securing the long-term viability of the community. My service on the Finance Committee is a very good fit for me and I look forward to continuing to serve in that role. To summarize, what Council does is "good work" in the way we Democrats see the world. I would be honored to continue to serve the community for the rest of this year and the following four-year term. I respectfully ask for your support in the May primary and November election. Thank you!
