If you would like to be a rotating volunteer driver to hiking events, please specify the type of car you have below (i.e. 6-passenger SUV with 4-wheel drive). Volunteer Drivers are reimbursed .10 per mile by passengers.

Hiking is an inherently risky activity. These risks include falls, falling objects, hazardous terrain, broken or sprained limbs, heat exhaustion, animal attacks, over exertion and other injuries that may lead to hospitalization or death. Traveling to a wilderness area involves additional risks as medical assistance is not available. By participating in hiking activities, I agree not to hold Westbrook Village Association, the Westbrook Village Hiking Club organizers, leaders and fellow participants (collectively called the "Hiking Club") liable for any injury or damage to myself or my personal property as a consequence of these risks. In addition, hiking with an amateur group involves inherent risks. These risks include relying on other participants for transportation, aid during an emergency and general assistance throughout the event. By participating in hiking activities, I agree not to hold Westbrook Village Association or the Hiking Club liable for negligence, poor judgment, over-sights, or any other mistakes on their part.

By participating in the Westbrook Village Hiking Club events, I am asserting that I understand the risks involved and that I am assuming full responsibility for my own safety and well-being.

In consideration of my participation on hikes and other Hiking Club activities, I hereby assume full and complete responsibility for any injuries, accidents or damages to me or my property while enroute to and from and during any outings of said Hiking Club. I hereby RELEASE AND HOLD HARMLESS and covenant not to file against Westbrook Village Association or the Hiking Club for any loss, liability, damage, or claims I may have arising out of my participation in Hiking Club activities, including personal injury or damage suffered by me. I also agree to indemnify Westbrook Village Association and the Hiking Club from any claim or lawsuits filed by any other person or entity arising out of any injury or damage incurred by me while on or going to or from a Hiking Club activity. I understand that signing this release does not preclude the leaders from barring my participation, if in their opinion; I am not properly equipped or physically able to take the hike.
