

Special Handout for SAES Staff

PLEASE SET UP YOUR ACCOUNT WHILE I PRESENT

1. navigate to spark.adobe.com
2. Click on **LOG IN** (top right corner)
3. Follow the image below

SAES has paid for student and teacher accounts. **Students** login differently due to age restrictions. Staff have to login the **FIRST TIME** only via Adobe ID. Use your school email and create a password. After that, if you are logged into Google Chrome with your SAES account, you can login via **Continue with Google** without further credentials.

DHS Staff can go to PSLearning > DHS Staff site > Tech Bits-Bytes > Help Videos to watch a video (created by Ben) to walk you through the whole process.
