

8th Grade AMI Choice Board

Student Name: _____

Directions: Choose one activity from each subject area column to complete. Students should complete a Social Studies/English Language Arts, Math/Science, Practical Arts, and Fine Arts activity for each AMI day. Please be sure to reference the linked documents for the Social Studies/ELA articles. Supervising Person should initial each box after completion and return to school the following day.

MARCH 14, 2025

Social Studies/ELA	Math/Science	Practical Arts	Fine Arts
Do a volunteer activity within your home or neighborhood! We do this to help make a difference in our community. Complete a minimum of 20 minutes helping others. <i>Examples:</i> • Cook breakfast, lunch, and dinner for your home • Do a chore you don't normally do • Yardwork (example: shoveling snow for others) • Assist siblings with their virtual learning • Writing a letter to a loved one just to make their day to mail to them • Read a book to little kids • Make cards for people in a nursing home • Make a thank you letter to your most inspirational teacher	If possible and you have access to your Chromebook or other device, pass 1 i-Ready Lesson on your Pathway. If not possible, write 10 math problems of your own and solve.	Complete a 20-minute fitness activity. This could be yoga, Zumba or aerobic dance, bike riding, play in the snow or playing a competitive sport with a sibling or friend.	Drawing from observation, draw what you see when you look out your window.
