

Privacy Policy for Aether Lexicon

Effective Date: 03/28/26

Aether Lexicon ("we", "our", or "us") operates the mobile application Aether Lexicon (the "App").

This app does not require user registration and does not collect personal information directly from users.

1. Information We Do Not Collect

We do not collect:

- Names
 - Emails
 - Passwords
 - Account data
 - Any personal information entered by users
-

2. Advertising

The App uses third-party advertising services (Google AdMob).

AdMob may automatically collect certain information, including:

- Device identifiers (such as advertising ID)
- Device information
- Interaction with advertisements

This data is used to display ads.

For more information, please visit:

<https://policies.google.com/technologies/ads>

3. How Information Is Used

We do not use or store personal data ourselves.

Any data collected by third-party services is used only for:

- Displaying advertisements
- Improving ad performance

4. Third-Party Services

We use the following third-party service:

- Google AdMob

These services may collect data as described in their own privacy policies.

5. Children's Privacy

This app is suitable for general audiences.

We do not knowingly collect personal data from children.

6. Security

Since we do not collect personal data, we do not store user information on our servers.

7. Changes to This Policy

We may update this Privacy Policy from time to time. Updates will be posted here.

8. Contact Us

If you have any questions about this Privacy Policy, you can contact us at:

Email: temofy@gmail.com
