

2015-2016 Back-to-School Online Check-In

Forms and Fees Day Is Going Online!

Forms and Fees Day is Going Online: Your time is **valuable**. Instead of spending time in line at Forms and Fees Day, Franklin Public Schools is proud to share that starting in August 2015, all of our families will review and update necessary back-to-school paperwork and pay school fees online. This secure process will allow your family to get ready for the school year at a time that is convenient for YOU.

With our Online Check-In system, you will be able to:

- | | |
|---|--|
| ☒ Pay Fees | ☒ Sign Up for Athletics/Activities |
| ☒ Confirm Contact Information | ☒ And More! |

And it doesn't stop there- all of the information previously available at Forms and Fees Day about school groups and organizations will still be available, so you won't miss out on any opportunities.

Starting in August 2015!

Watch for more information to be shared with you as next school year approaches. We look forward to sharing more details about this convenient new process.
