

STEM High School Online Learning Norms Mutual Respect, Focus On Productivity & High Expectations

Mutual Respect can look like...

- Be on time, mute your mic when you are not speaking.
- Raise your hand digitally to speak or use the chat to convey your academic thoughts.
 - Dress appropriately, do not lay in bed while in a meeting
- Engage in the chat feature for academics or school discussions only
- Cameras on during lessons when requested by learning coaches

Focus on Productivity can look like...

- Submit all work by assigned deadlines
- Utilize Google Calendars to organize your assignments and Google Meets
- Camera on when requested by learning coaches
- Report to Google Meets when assigned
- Attend all Orientations and Class Meetings
- Submit work that is solely your own, see plagiarism policy in student handbook
- Utilize the chat feature to communicate your academic thoughts to others
- When technology is broken, communicate it to the appropriate person and get it fixed in a timely manner

High Expectations can look like...

- Submit all work by assigned deadlines
- Report to Google Meets when assigned
 - Dress appropriately, do not lay in bed while in a meeting
- Attend all Orientations and Class Meetings
- Submit work on time that is solely your own, see plagiarism policy in student handbook
