

Social supermarkets in Coventry - document created/maintained by Good Neighbours Coventry

Social Supermarkets offer discounted food parcels for people who regularly do not have enough money to buy food. The food parcels contain a mixture of fresh, chilled and cupboard items. You do not need a foodbank voucher to access them. Each social supermarket has some criteria to ensure they are helping those who need it most - usual eligibility is one of: receiving/awaiting Universal Credit, child on free school meals, low income, pension, or unable to work due to pandemic or disability. Most supermarkets have a 6 month membership.
