

Facilities and Maintenance Department Board Report January 29, 2024

- Demolition of Torres Elementary is nearly complete and should be complete the first week of February.
- Maintenance is continuing with weed removal, tree trimming, and other preventive maintenance.
- Maintenance staff conducted walk-throughs of all school buildings during the Christmas break. During walk-throughs, staff members found several broken windows over a number of days during the break.
- Six broken windows have been replaced at SMS along with one bottle filler/drinking fountain that were all vandalized during the break.
- Crews continue to diligently clean and disinfect all district school buildings.
- Maintenance continues to work on grounds and complete work orders, along with day to day maintenance as usual.
