

AllScanKorea Terms of Service

Article 1 (Purpose)

These Terms of Service (the "Terms") govern the relationship between you ("User") and the operator of "AllScanKorea" ("we", "us", or "our") regarding your use of the AllScanKorea mobile application and related services (collectively, the "Service"). By accessing or using the Service, you agree to be bound by these Terms.

Article 2 (Definitions)

1. "Service" refers to the AllScanKorea mobile application and all associated features, including AI-based product scanning, product information retrieval, store location services, wishlist features, and other shopping guide services.
2. "User" refers to any individual who accesses or uses the Service.
3. "Content" refers to any text, images, product descriptions, pricing details, recommendations, or other materials made available through the Service.

Article 3 (Effect and Amendment of the Terms)

1. These Terms become effective when they are posted within the Service or otherwise communicated to Users.
2. We reserve the right to modify these Terms at any time in accordance with applicable laws.
3. If we modify these Terms, we will post the revised version and update the effective date. Your continued use of the Service after such modifications constitutes your acceptance of the revised Terms.

Article 4 (Use of the Service)

1. The Service may be accessed directly or via third-party social login integration (e.g., Google, Apple).
2. Users are responsible for providing accurate and current information when using the Service.
3. Users shall not use another person's account or information without authorization.

Article 5 (Service Description and Availability)

1. AllScanKorea provides the following features:
 - Camera-based scanning to identify Korean products.
 - Real-time information on nearby stores, pricing, and directions.
 - Wishlist features to save and share products.
 - Gemini AI-powered product descriptions, shopping tips, and categories.
2. We aim to provide the Service 24 hours a day, 365 days a year. However, the Service may be suspended temporarily for maintenance, system updates, technical failures, or network disruptions.

Article 6 (Paid Services and Lucky Points)

1. "Lucky Points" are in-app points that can be purchased through Google Play Store or Apple App Store In-App Purchases ("IAP") or acquired through promotional activities (such as watching reward ads).
2. Lucky Points are consumed at a rate of 100 points per AI scan or search query in the Service.
3. All purchases of Lucky Points are processed and billed by the respective app stores (Google Play Store or Apple App Store).
4. Refund Policy: All requests for refunds of purchased Lucky Points must be submitted to and processed by the respective app store (Google Play Store or Apple App Store) in accordance with their standard refund policies. In particular, refunds for Google Play purchases are governed by the Google Play Refund Policy.

5. In accordance with app store policies, points that have already been partially or fully consumed are non-refundable.
6. Upon deletion of the User's account, all remaining Lucky Points shall immediately expire and cannot be restored or refunded.

Article 7 (Obligations of the User)

Users agree not to:

1. Provide false information during registration or use.
2. Access the Service through unauthorized or automated means.
3. Reproduce, distribute, modify, or commercially exploit any Content from the Service without our prior written consent.
4. Disrupt the normal operation of the Service or infringe upon the rights of others.

Article 8 (Service Limitation and Termination)

1. You may stop using the Service and delete your account at any time through the in-app settings.
2. We reserve the right to restrict your access to the Service or terminate your account without prior notice if you violate these Terms or disrupt the Service.

Article 9 (Disclaimers and Limitation of Liability)

1. AllScanKorea utilizes generative AI (Gemini AI) and statistical data to provide product descriptions, translations, shopping tips, and store information. These results are provided for informational and convenience purposes only. We do not guarantee the absolute accuracy, completeness, or reliability of AI-generated content or store information.
2. Prices and product availability at physical stores may change in real-time. The Operator is not liable for any discrepancies between the information shown in the app and the actual store conditions.
3. The Operator shall not be held liable for any direct, indirect, incidental, or consequential damages arising out of your use of or inability to use the Service.

Article 10 (Governing Law and Jurisdiction)

These Terms shall be governed by and construed in accordance with the laws of the Republic of Korea. Any disputes arising out of or in connection with these Terms shall be subject to the exclusive jurisdiction of the competent courts of the Republic of Korea.

[Addendum]

These Terms of Service shall take effect on June 7, 2026.
