

## Schofield's Birthday Book Club

Through the Schofield Birthday Book Club, parents, relatives and friends give books to the school library to celebrate a child's birthday. This is a wonderful way to give children a sense of ownership of the Schofield Library and support reading for all of our students.

Using the Amazon Wish list, you may sort by priority and see what books we are most in need of. Please choose something that you think your child would love to read and are excited to give to the library! There are Fiction and Non-fiction books available, and a variety of prices and genres. When you've completed your purchase, be sure to indicate while checking out that this is a book for "Susie Smith's 8<sup>th</sup> birthday" with their full name so we can create a special birthday bookplate with their name (see a sample at the top). Children love seeing their name inside of a book!

Books can be sent directly to Schofield School. Don't forget that by using the PTO Amazon link for any purchases (dog food, diapers, holiday shopping...) the PTO receives a % that also helps the library.

Thanks so much for your support and **HAPPY BIRTHDAY!**
