Source/Bibliography MLA 10 pts	White House, The. "Prescription Drug Abuse." WhiteHouse.gov. The White House, n.d. Web. 19 Jan. 2015.
Annotation 35 pts	This article, written by The White House's staff, refers to prescription drug abuse, its rise to power, and the according statistics. Other tabs on The White House's website include prevention techniques and drug endangered children.
Potential Quotes (Are there any significant quotes you can use or paraphrase from this source?) 15 pts	- "Some individuals who misuse prescription drugs, particularly teens, believe these substances are safer than illicit drugs because they are prescribed by a healthcare professional and dispensed by a pharmacist." - "Addressing the prescription drug abuse epidemic is not only a top priority for public health, it will also help build stronger communities and allow those with substance abuse disorders to lead healthier, more productive lives." - "According to the recent Monitoring the Future study – the Nation's largest survey of drug use among young people – prescription drugs are the second-most abused category of drugs after marijuana."
Assessment (Analyze and explain why this source is credible) 15 pts	This source is credible because (1) it was found using SweetSearch.com , (2) it is a government regulated website through The White House itself, and (3) it is supported by several outside sources as well, which are listed at the bottom of the article.
Reflection (How will you potentially use it?) 25 pts	I will use this credible source to support my research with credible sources and statistics such as the ones listed and used within The White House's informative article. The "drug endangered children" tab on the website may be helpful in terms of referencing children, as well.
