*Entry fees (Rapid tournaments):*

- **£30**

*Entry fees (Blitz tournament):*

- **£20**

- Players participating in the Rapid (discounted rated) = **£15 (total = £45)**

**Prize Calculation**: The place prizes in all tournaments will be awarded to the player scoring the most points. There will be no tie-breaks applied, and in the event of a tie on points, the prize money will be shared equally between all tied players.

The rating prizes will be calculated on  $W - W_e$ , where  $W$  is the number of points scored,  $W_e$  is the expected number of points based on the difference between the ratings of the players in the game. A player is only eligible for a rating prize if:

- The player has not defaulted any games in the tournament, and
- The player has not withdrawn from the tournament (see the section on Bys below) Players allocated a rating of 0 (see Allocation of Ratings in All Sections above) are not eligible for rating prizes.

Where there is a tie for a rating prize, the prize shall be shared. Where a player wins a place prize and a rating prize, the player will win whichever prize is of the higher value.

\*For the blitz tournament, this tie-break may be changed if the organisation sees fit, where the rating prize may be decided by the top scoring player in the bottom half of the starting rank list according to the ratings in use. Alternatively, if any one player stands out by just missing a placement prize - this may be used to determine a rating prize.
