Sanad dugsiyeedkan dhamaan macalimiinta dugsiga dhexe iyo dugsiga sare iyo ardayda (fasalada 4-12) waxay isticimaali doonaan schoology (barnamij kombiyuutarka ah lagu shaqeeynaayo). Maaraynta waxbarashada dijitalka ah waxay siisnaysaa macalimiinta awood ay kula xiriiraan ardayda iyo waalidiinta ama masuulada si ay ugu gubiyaan wax alaale wixii macluumaad ah.

Schoology wuxuu isku xira aalado jira sida Google Drive (Collab) oo leh barnaamijyo kala duwan oo software ah, ugu dambeyntii waxay ardayda siinayaan dabacsanaan ay ugu dhamaystaan ay ugu dhamaystaan shaqadooda si awood leh ama digitally online. Ujeedada u wareegida schoology waa inay siinayso hal qorshe oo joogto ah degmadoo dhan kuwaas oo bixiya sifooyin adagoo macalimiinta, ardayda iyo gosaskaba.

Waxaan ku faraxsanahay jawaab-celinta ku saabsan sida tiknoolajiyada cusubi ay u saameynayso bay'ada fasalka. Ardaydu waxay helayaan fursado weyn oo ay ku heli karaan macluumaad kala duwan oo ku saabsan shaqada iskuulka, macallimiintuna waxay heleyaan siyaabo waxtar leh oo ay ula xiriiraan ardayda baahi shakhsi ahaaneed haysta.

Dadaalada lagu taageerayo ujeedooyinka waxbarashada ardaydeena, waxaan waalidinta ama masuulada waydiisaneynaa in ay ka faa'iideystaan waxayaabaha schoology-gu ka qaadan karo deegaanka guriga. Schoology-gu wuxuu siinayaa macluumaad muhiim ah farahaaga.
