TERMS OF SERVICE

(Last updated: July 20, 2024)

By commissioning me, you are stating that you have read and understood the Terms of Service. I will work under the assumption you have done so, and will hold you by the standards set forth by it. I reserve the right to change my ToS at any time as subjects/events turn up.

There are NSFW images used as examples below. Proceed with caution.

1. GENERAL INFORMATION

- To request a commission, fill out [this form](#).
- My PayPal address is cheriineko@gmail.com
 - You will receive an invoice from **Neko Enterprises**.
- To contact me, email me at lominuscomic@gmail.com
 - All communication will be done via email. **Please use an email that you check regularly.**
- I do NOT accept refs from Photobucket! No exceptions! (Dunno if this is still relevant, honestly, but their site was nigh unusable last time I tried)
- **I will leave the form open for a predetermined amount of time.** After this time is up, if I have received more commissions than I need (or can get through in a reasonable time), **I will choose select commissions from amongst them to work on.**
 - You will receive an email whether or not I choose your commission.
- **Turn-around time is typically within a month.**
 - This may change depending on life circumstances (See **Section 3: Payments and Refunds** for my policy regarding an inability to finish a commission).

2. PRICES

All prices shown are in USD.

These are subject to change due to inflation/cost of living.

GRAYSCALE SKETCH

- **\$75 per character**
- **No backgrounds available**
- *A simple, but cleaned-up sketch with various shades of gray instead of color.
Easier for my colorblind eyes to work on.*

 - *Or \$100/ea for waist-up only*
- **Background: \$Varies**
 - *Solid color or simple pattern: \$0 (seen in example)*
 - *Complex pattern: \$10-\$30*
 - *Full scene: \$50-\$200 (depends on complexity, you may tell me how much you'd like to pay and I'll work with you.)*

3. PAYMENTS AND REFUNDS

PAYMENTS

- Payment must be made in advance. If you do not pay within 72 hours, or three (3) days from the moment I reach out to you, your spot may be given away.
- I accept PayPal ONLY
 - (I'm open to alternatives if you have suggestions)
- I reserve the right to charge extra for overly complicated character designs and/or backgrounds.
 - For complex characters, it's typically \$5-\$15 extra.
 - Complex backgrounds are a case by case thing.

PAYMENT PLANS

- Not available for drawings \$75 or less.
- Half of the total amount for the drawing must be paid up front. The other half must be paid after I send you a WIP. Work will not resume until the second payment has been sent and received.
- If you do not make the second payment within 30 days of the WIP being sent, the commission will be ended with no refund.

REFUNDS

- Refunds will be given in full if I haven't shown you a WIP yet.
- If I have shown you a WIP, you will only be given a 50% refund (or the first payment from a payment plan).
- If something happens to me and I cannot continue to work on your drawing, I will refund 100% of your payment(s).
- No refunds will be given once the work is complete.

4. WON'T DRAW

- Mature art featuring minors (kids or teenagers) in any capacity. **No exceptions. Period.**
 - This includes, but is not limited to:
 - Anything sexual
 - Suggestive poses or expressions
 - Underage characters present in adult scenarios.
 - I reserve the right to refuse a piece featuring underage characters if it feels too close to being mature. This is a sensitive topic for me.

- Anything hateful or bigoted toward ANY group of people
- The following fetishes (nothing against them, they're just not my thing):
 - Inflation
 - And any subcategories of it
 - Weight gain is fine, however (don't ask why, I can't rationalize it, either)
 - Muscle (You don't want this from me, I suck at muscles)
 - Scat
 - Vore or gore
 - Egg-laying
 - This list will change as newer subjects are brought to my attention. If you're not sure if I will or won't draw something, just ask me! :D

5. WORKS IN PROGRESS, EDITS, AND RIGHTS

WORK IN PROGRESS (WIP)

- I will email you when I complete the sketch.
- I cannot continue working on a drawing until you tell me you're okay with the WIP.

FINISHED WORK AND YOUR RIGHTS

- Upon completion of your drawing, I will give you the full-sized version and a smaller version. Do not upload the full-sized version online, only the smaller one.
 - Cropped versions of the full-size image are fine to upload (like with icons/profile pics, for example).
- You may upload your drawing wherever you wish and use it however you want.
- Please give appropriate credit when uploading.

That being said, under no circumstances are you to:

- Claim the work is yours
- Make your own profit off of it
- Edit the drawing (other than cropping for things like profile pics)
- Remove my signature/watermarks
- Pay someone else to finish a WIP sketch or color a lineart drawing
 - Exception: You alone may color in a lineart drawing, just make sure you say it is your coloring and my lines

MY RIGHTS

- I reserve the right to refuse a commission.
- I retain the copyright to my work. Characters may not belong to me, but it was drawn by me in my style. I will report a submission if I find it belongs to me and no/insufficient credit was given.
 - I will never claim another's character or idea for my own.
- I can reuse your commission in future submissions (such as examples/compilations of my work).

6. FAQ

This list will expand as I am asked more.

Do you only draw furrries?

No! While my area of expertise is anthro furrries, I will draw humans, scalies, monsters (as long as they're not gory), ponies, etc.

Do you take requests?

No

Do you do trades?

Rarely

Do you do gift art?

If I have a break from commissions, I might do some. However, you can't ask for gift art, that would be a request.

Do you do streams/stream commissions?

Not typically.
