XLVIII MOUNTAINEERING COMPETITION IN MEMORY OF A. BABIEŽA
STATUTE

1. TIME AND PLACE

Competition will be held on 5th of December 2026. Address: Šveicarijos uola, Survilų sodyba, Barborlaukio kaimas, Jonavos raj. LT-55303.

2. ORGANISERS

KTU žygeivių klubas „Ąžuolas“, Lietuvos keliautojų sąjunga.

3. RULES

The competition is held in accordance with the rules of mountaineering and mountaineering techniques approved by the Lithuanian Mountaineering Association 2025.

4. PARTICIPANTS

Competitors participate in teams of four, including at least one woman. Teams compete in amateur and sportsmen subgroups.

5. PROGRAMME

8:30- 9:20 Registration

9:30-10:00 Explaining of routes

10:20 Start of the competition

17:00 Preliminary end of the competition

17:30 Awards

6. POSSIBLE TASKS

After the start of the competition each sub-group goes from one route to another. At each route one or more of the following elements may be included: horizontal or diagonal tyrolean pass, lead and top-rope climbing, anchor point rigging, dry-tooling, ascending a rope using an ascension device, traverse, pendulum swing, rope ladder travese (zalcing), descend on a rope, speleo pass, rigging of a tyrolean pass, parallel lines, rescue, aid-climbing, etc. Teams must finish at the registration office before the end of the competition after completing as many routes as they can. Some routes or elements may differ depending on a sub-group. Some elements may be duplicated.

7. WINNERS

- The winners in all subgroups are determined based on the total number of points scored.
- Each route is scored with a specific number of points.
- Points are only given if the team has managed to complete the route within the control time.
- Penalty points collected on the route are added to the time spent on the route.
- A team that did not manage to complete the route within the control time receives points according to the stations reached by the participants on the route (the further the station, the more points; penalty points included). Formula for calculating the results:

Place on the route	**Points**
I	Maximum number of route points
II – last	$\frac{1^{st}\ place\ time\ on\ the\ route\ (including\ penalties)}{Time\ taken\ by\ the\ team\ on\ the\ route\ (including\ penalties)} \times Maximum\ number\ of\ route\ p$

The value of 1 penalty point in seconds is determined according to the table:

Control time	Up to 20 min	20 – 50 min	Over 50 min
Penalty points	20 s	30 s	45 s

- In the event of equality of points, the teams shall be ranked according to the number of courses completed in the control time. If the number of courses completed is the same, the time spent on all courses shall be taken.

8. ENTRY CONDITIONS

Entry fee for all participants 10 EUR;

- Pre-registration is required. The registration form can be filled in until 2nd of December 2026 at 23:59. Registration form – https://forms.gle/Rq1Ez1ow1C5z8Sc76
- Once 10 teams have registered for each sub-group, the organisers reserve the right to stop registering new teams and to merge sub-groups if fewer than 5 teams register.
- Teams are responsible for their own equipment (additional information about the equipment needed to complete the courses will be sent to registered teams). **Helmets are compulsory for all participants on the course.**
- Each participant in the competition must know and comply with the safety requirements for mountaineering techniques. Each participant is responsible for their own health and safety.
- Everyone participating in this event agrees to be photographed.
