

JUNIOR LEAGUE OF
THE ORANGES AND SHORT HILLS

Re: JLOSH Community Grant Application

Dear Community Partners,

I am pleased to announce the Junior League of the Oranges and Short Hills (JLOSH) will be accepting applications for 2022 - 2023 Community Grants, and on behalf of this year's Grant Evaluation Committee, I would like to invite your organization to apply.

For over 100 years, JLOSH has tackled the critical needs of women and children in East Orange, Livingston, Maplewood, Millburn, Orange, Short Hills, South Orange, Springfield, and West Orange through community service, as well as through its grants program. JLOSH's strong presence in the community continues today as it focuses on improving the lives of children (Pre-K to 8th Grade) by helping to fulfill their basic needs.

In the coming year, grants ranging in size from \$1,000 to \$5,000 will be awarded to qualifying nonprofit organizations whose community work, projects, or programs further JLOSH's "Fill the Need Initiative". This initiative focuses on addressing food insecurity, school supply gaps, and the essential clothing/basic hygiene needs of low-income, school-aged children (PreK – 8th grade) in our service area. JLOSH believes that when these basic needs are met, children can focus their energy on succeeding in school and working toward a more secure future.

Please visit <http://www.jlosh.org/apply-for-a-jlosh-community-grant.html> for the link to the online grant application or [click here](#). Online submission for Part One of the grant application opens on March 14, 2023 and is due **Tuesday April 4, 2023 at 5 pm EST**. Part One requires an overview of your organization, your grant request, and scope of work. We will review Part One and then invite selected organizations to submit Part Two of the application which includes financial reporting documents. Online submission for Part Two will open on April 17, 2023 and be due Friday, May 5, 2023 at 5 pm EST.

Grants will be awarded to programs whose work is dedicated to the issues described above in the target communities of the JLOSH service area (East Orange, Livingston, Maplewood, Millburn, Orange, Short Hills, South Orange, Springfield, and West Orange). JLOSH grant recipients will be announced and awarded in June 2023.

If you have any questions, or need additional information, you can reach JLOSH by email at jloshgrants@gmail.com.

Sincerely,

Allison Nickerson
