Students will take a trip around the world while learning art, surveying each continent and highlighting iconic landmarks. They will learn about the culture of that region and create art based on it. We will use: acrylic, watercolor and tempera paint; chalk and oil pastels ; marker, pencils and more. Students will learn the fundamentals of art, including color theory and perspective, and many more. We will also study various artists and replicate their work. Full class spans an entire academic year and is taught in a four year cycle. Recommended: 2nd-9th grade. Sibling discounts available.
