

oikos Curriculum Academy Programme

18-20 October, 2019, University of Economics, Prague

Day 1: Economics and Management Education: Challenges and Opportunities, room: RB539a	
Kick-Off, Icebreaker 13:00 – 13:30	We will get to know each other in an interactive way.
Opening Remarks 13:30 – 14:00 <i>onsite & online</i>	Introducing oikos and the Curriculum Academy, expectations mapping
Break	
21st Century Economics and Management 14:30 – 16:30 <i>onsite & online</i>	Interactive public debate of youth and academic representatives. The debate will be held online and onsite.
Break	
Reflection Round 17:00 – 17:45	Personal, peer to peer and group reflection on the outcomes of the debate
Dinner and Evening in the city	

Day 2: Inspiration Day, room RB539a	
Warm-up and Introduction of the day 9:30 – 10:00	Quick check-in, reflection and short program introduction
Pluralism in Economics - Introducing the Exploring Economics Platform 10:00 – 11:00	Workshop focused on pluralism in economic thinking
Break	
Reflecting and Shaping our Educational Context 11:30 – 12:30 <i>onsite & online</i>	Participants will reflect on curricula and setting of their educational institutions from a sustainability perspective. Positive Impact Rating will be presented as a tool how students can support fundamental change in their business schools.
Lunch	
Exploring Diverse Economies - an Interactive Introduction 14:30 – 16:00	Early career researchers will run a workshop showing different ways of teaching economics in terms of content and methodologies.
Break	
Main Principles of Economics and Management Education - workshop 16:30 – 18:00 <i>onsite & online</i>	We will run a pilot version of the workshop focused on main principles on which economics and management education that addresses urgent global challenges could be built. We will then critically reflect on these principles.
Break	
Reflection Round 18:30 – 19:00	Personal, peer to peer and group reflection on the outcomes of the day
Dinner and Evening in the City	

Day 3: Action Day, Scouts Institute	
Reflection Walk and Introduction of the Day 9:30 – 10:30	Reflection walk focused on key learnings and realizations of previous days with respect to knowledge, skills and attitudes. Introduction of the programme of the day
Break	
Youth Leaders Engaged in Curriculum Change 11:00 – 12:30 <i>onsite & online</i>	Together with representatives involved in the oikos Leadership programme we will prepare a session focused on curriculum change which will be then run during the oikos LEAP meeting.
Lunch	
Designing Economics and Management Education for Sustainability 13:30 – 15:00 <i>onsite & online</i>	We will further develop the design of the workshop we run on Saturday. The workshop will be held at the oikos international community gathering (FutureLab) in November and will be followed by development of concrete curriculum change strategies.
Break	
Wrap up 15:30 – 16:00	Participants will do the last short reflection round focused on what will be the next step or action they will take after the Academy.
Farewell and Walk in the City
