

INFORMATION FOR MATCHMAKING ACTIVITY - STARTUPS

DATE & TIME

- Tuesday 6th September: 16:00 to 20:00 CEST

DURATION OF EACH PRIVATE MEETING

- 12 minutes approx. + 3 min for changes.

SCHEDULE

- As the meetings are private, when the investors finalise their selection, you will receive an email with the schedule of your meetings.
- Approximately you will receive your own schedule one week prior to the beginning of the event.
- **Investors have already finalised their selection of Startups. If you have been selected by an investor you have already received (on 26th August) an email with your meeting agenda.**

HOW IT WORKS

- One month before, investors access a database of all startups and select those they are interested in for a private meeting.
- They are currently making this selection.
- Note*: make sure one member of the startup is in the meetings.
