November 2 - Picture RETAKE Day

November 11 - Veterans Day (No School)

November 21-25 - Thanksgiving Break

ACCELERATED READER

Thank you for helping to nurture a love of reading at home! Students are taking A.R. quizzes in an effort to read and comprehend as many words as possible throughout fourth grade! You can help at home by:

- Support reading in any way that you can.
- Ask about their AR Goal and if they're close to reaching it.
- Share your personal spelling strategies.
- Read or listen to books together and discuss authors you love.
- Have your child bring the book they're reading at home to school each day for independent reading.

THANK YOU TO THE PARENTS WHO PROVIDED HALLOWEEN CRAFTS, FOOD AND FUN! WE HAD A SUPER SPOOKY DAY, THANKS TO YOU!

REVTRAK FEES

If you have not paid the 4th grade fees yet this year, please log on to Rev Track to do so! This helps to cover the cost of AR, Multiplication.com, field trips, and more!

STUDENT COUNCIL

Awesome job to EVERYONE who had the courage to run for Student Council and the Pride Advisory Committee! The fourth grade classrooms are filled with budding leaders this year. The first meeting will be this Friday in Mrs. Mattocks room at 7:15.
