

Psychology, Neuroscience, and Biology CAREER AND RESOURCE FAIR

Thursday March 27, 1-5pm
Gatton Student Center Ballrooms A&B

Businesses/Government/Non-Profit Organizations

1. **American Red Cross:** Volunteers are the heart of the American Red Cross, and we'd like you to join us! We depend on nearly 1 million volunteers nationwide to carry out our mission as the world's leading humanitarian relief agency. No matter your interests, skills or schedule, you can make a significant contribution to your community and help people in their moments of greatest need.
2. **Biopathogenix:** What sets BioPathogenix apart is that we are an end-to-end biotechnology company. Every step of our product journey—research, development, manufacturing, and quality assurance—happens in-house, ensuring total control over quality and innovation. Our dynamic environment fosters collaboration and growth, with our team working closely alongside R&D scientists who develop our cutting-edge technologies. This setup creates opportunities for knowledge-sharing and professional development, while our commitment to precision and excellence drives us to deliver reliable molecular detection tools trusted by labs worldwide.
3. **Cincinnati Children's Research Foundation:** Cincinnati Children's is a nonprofit, comprehensive pediatric health system. As a leader in research, education, patient care, advocacy and innovation, Cincinnati Children's is consistently recognized by U.S. News & World Report and leads in pediatric research funding from the NIH. Cincinnati Children's is internationally recognized for improving child health and transforming delivery of care.
4. **Community Mental Health:** The community mental health movement in this country was founded on the belief that mental health services are best provided in the community in which the person receiving such service lives. In keeping with this philosophy, Community Mental Health provides a wide range of community-based services. Annually, the organization serves over 11,000 persons at 122 sites throughout the tri-county region.
5. **Cultivate Behavioral Health and Education:** At Cultivate, we utilize the most effective, evidence-based strategies, and teaching methodologies to focus on what will bring the most meaningful change to the child's life. Above all, it is our belief that Applied Behavior Analysis (ABA) should be engaging, dynamic, and highly reinforcing. Your family will be paired with a BCBA and BT(s) that fits your child's needs, learning styles and preferences.
6. **Hera Biolabs:** Located in Lexington, KY, we provide transformational research models and specialized contract research services that are helping academic centers and pharmaceutical companies to drive advances in oncology, gene editing and drug development.
7. **Hooves of Hope: Therapeutic Riding Center:** The mission of Hooves of Hope Equestrian Center is to provide children and adults, with diverse needs, a solid foundation for developing life skills, through equine assisted activities and therapies in a safe and caring environment. We provide services for veterans, at-risk youth, individuals with physical and cognitive disabilities, and individuals with emotional and behavioral disorders.
8. **Justin's Place:** Our mission is to support extraordinary children through equine assisted services in a beautiful farm environment. Highlight: Barn Buddies provides tailor-made fun for individuals age 3-12 with a disability diagnosis. Weekly sessions include therapeutic horseback riding, sensory petting zoo, learning games and more.

9. **Kentucky Department of Corrections:** Kentucky Justice & Public Safety Cabinet, including the Department of Corrections. Our mission is to protect the citizens of the Commonwealth and to provide a safe, secure and humane environment for staff and offenders in carrying out the mandates of the legislative and judicial processes; and, to provide opportunities for offenders to acquire skills which facilitate non-criminal behavior.
10. **Kentucky Department of Juvenile Justice:** The Kentucky Department of Juvenile Justice provides a range of services to sentenced, committed, probated, and detained youth and their families, creating opportunities for those youth to develop into productive, responsible citizens while enhancing public safety.
11. **Kentucky Personnel Cabinet:** At the Kentucky Personnel Cabinet, we take pride in providing top-tier health and wellness benefits and human resources administrative support to state employees. You may have seen us at your local career fair promoting employment opportunities or attending wellness events sharing our robust health insurance plans. We love working ‘behind the scenes’ to ensure state employees have what they need to deliver the highest level of service to the public. We are a small but mighty team that continues to promote state government as an employer of choice by remaining innovative and prioritizing a diverse workforce.
12. **KVC Health Systems:** Mental health, foster care, and more. Every person deserves kindness and support. That’s why we’ve been serving children and families for 50 years now. We have made a positive difference in the lives of over 304,000 children and families by providing in-home family support, behavioral healthcare, foster care, adoption, substance use treatment and children’s psychiatric hospitals. KVC is accredited by The Joint Commission, considered the gold standard in healthcare. Our 1,600 passionate, dedicated staff working from 38 locations across the U.S. help strengthen individuals and families each day. - See more at: <https://www.kvc.org>
13. **Lexington Police Department:** The Lexington Police Department has jurisdiction over Fayette County, from urban areas to suburban neighborhoods and rural countryside. With an authorized strength of 641 sworn officers and nearly 150 civilian personnel, the Lexington Police Department is the largest division within the Lexington-Fayette Urban County Government.
14. **Medpace:** We support our clients to advance the development of treatments for diseases that impact millions — inspiring solutions that make our team, our communities, and our world better. Join us today.
15. **New Vista:** New Vista assists individuals and families in the enhancement of their emotional, mental, and physical well-being through behavioral health, substance use, intellectual and developmental disability and primary care services.
16. **Peace Corps:** Peace Corps Volunteers put their purpose, passion, and skills to work in partnership with host communities in nearly 60 countries. Volunteers live and work side-by-side with community members to partner on locally prioritized projects in the areas of education, health, environment, agriculture, community economic development, and youth development.
17. **Ramey-Estep Homes:** Ramey-Estep/Re-group is a non-profit agency with locations in Ashland, Rush, Grayson, and Crestview Hills, specializing in Mental Health, Behavioral Health, and Substance Agency.
18. **Ronald McDonald House of the Bluegrass:** The mission of Ronald McDonald House Charities of the Bluegrass is to create and support programs that directly improve the health and well-being of children and to strengthen families by keeping them together in times of medical need.
19. **Seven Counties Services:** Seven Counties Services is a Community Mental Health Center that offers a full range of mental and behavioral health services, substance use treatment, and intellectual and developmental disabilities services in a seven-county region in Kentucky. Counties served include Jefferson, Oldham, Bullitt, Shelby, Spencer, Trimble, and Henry.
20. **Sexual Violence Resource Center:** Formerly the Bluegrass Rape Crisis Center, Sexual Violence Resource Center of the Bluegrass (SVRC) supports survivors of sexual violence. Volunteers and Staff are trained in crisis response and help answer our 24-hour support hotline. Our advocates have an opportunity to work directly with survivors and other professionals to learn about victim’s advocacy, crisis counseling, and many other topics.

Whether you are interested in a career in social services, have found your calling and want to expand your experience, or simply believe that all survivors deserve empathy and support, joining SVRC initiates you into a network committed to freedom from sexual violence.

21. **[Teach for America](#)**: Teach For America launches promising leaders into careers that partner with children and their communities to build a more just, bright future. We train and support individuals passionate about justice to teach and tackle inequities affecting students. Together, we transform systems to improve how students learn, live, and lead.
22. **[TruDiagnostic](#)**: TruDiagnostic is a state-of-the-art epigenetic testing company which offers diagnostics for clinical practitioners and their patients hoping to read their methylation patterns to help anticipate and effect health outcomes.
23. **[Voices of Hope](#)**: Voices of Hope is founded by people who are in recovery or have been affected by substance use disorder so we have first-hand experience to help people find recovery and stay in recovery. We do this with our team of highly-trained recovery coaches who are not only working at our Recovery Center facility in Lexington, Kentucky; they are embedded in over 80 detention centers, hospitals, courtrooms and recovery centers. We have a recovery coach mobile team who go directly to those needed help in Fayette and Jefferson counties. Our professional teams are located in over 11 counties.
24. **[Wisconsin Badger Camp](#)**: Wisconsin Badger Camp is a summer camp that serves adults and children with developmental disabilities. We are located 10 miles south of Prairie du Chien, WI on 680 acres. Each summer, Wisconsin Badger Camp hosts eight one-week sessions and one two-week session specially tailored to meet the needs of each camper. The sessions are separated according to age with eight weeks planned for adults, one week for children (ages 3-13), and one week for teen campers (ages 14-21). Come make a difference in someone's life this summer!
