

Transferring from Herkimer College to Oswego

In addition to completing General Education requirements prior to transferring, the following list may help you with course selection during the first two years of study at Herkimer College. It is not required that these classes be complete prior to transferring, nor is this a comprehensive list. We encourage you to work closely with a transfer advisor as you plan your courses.

- Bachelor's degree graduation requirements:
 - 120-128 credits, depending on major
 - Minimum of 30 credits and ½ the major completed at Oswego
