

Morningside Monthly Meeting
Clerk's Report to New York Quarterly Meeting for Business
20th Day of Seventh Month 2024

Dear Friends:

Even in these very hot summer days, Morningside Meeting's life as a community of faith continues, as we seek a deeper connection to and leadings from the Spirit.

Summer equally is a time for many Morningside members and attenders to travel, reconnect with families, and rest from the day-to-day. Our Meeting for Worship tends to see smaller attendance week-to-week in these months, and we're also continuing an annual practice of taking a summer hiatus from Meeting for Worship with Attention to Business.

At our final Meeting for Business in June, before we started our hiatus, the Meeting approved requests for membership from two Friends, Mattie Johnson and Ian Hurley. We are joyful to re-welcome both of them as members of Morningside Meeting, which each of them has already enriched through their presence among us as attenders.

All at Morningside send greetings to our beloved Quarterly Meeting community.

In Friendship—

Jason McGill
