

Q: How can I give?

A: Paypal and Zelle are the two preferred methods. Other methods can be considered. To avoid processing fees while sending gifts via paypal, select “sending to a friend”. For more detailed instructions, go [here](#).

Q: Is it tracked for tax purposes?

A: For the time being, all giving is considered a gift, and is subject to the IRS taxation regulations. For more information, please view the [IRS FAQ](#) section for more details.

Q: Are we a Non Profit?

A: Not yet! We are currently seeking a partnership with an organization that can extend a 501c3 umbrella to us, and we are also researching the possibility of creating our own 501c3 so that contributions can be tax deductible. Stay tuned!

Q: As someone who gives towards the success of this ministry, how will you communicate with me regularly about the mission? (Assuming I am not a regular viewer/ participant)

A: In our current state, we are happy to meet one on one to discuss how God is moving through this ministry and your financial gifts. Effective December 2021, we will be giving quarterly briefings live via Youtube along with a newsletter after.

Q: “One Church!” Is there one church that you can focus support efforts on? Past places of ministry, home church?

A: For the sake of immediate family members that are high-risk for Covid-19, we are currently attending local churches remotely because of the current state of the pandemic in our area. As such, we have yet to establish close ties with any of them. (This is why community is so important to us because we know that there are THOUSANDS of people that are in similar situations including those that have yet to come to a saving relationship with Christ. In the course of building partnerships around the world, we hope to find a church with a heart for what we do that we can call our home church, and we hope to find somewhere close so that we can attend in person.

Q: After a season, how do you shift focuses to other churches supporting you?

A: As we improve our methodology and are able to translate the intangibles to church leaders in a way that effectively demonstrates how “e-vangelism” can be carried out through this new frontier of ministry, we hope to partner with churches and other organizations for financial stability and to grow other e-vangelists to carry out the Great Commission through streaming and gaming.
