

Capitola Media

CAPITOLA MEDIA | VIDEO PRODUCTION SAN FRANCISCO

Capitola Media is an award-winning, full-service, video production company located in the [San Francisco](#) Bay Area, Los Angeles and in New York City. We work with a variety of clients from Fortune 500 companies and Hollywood studios to Internet startups and nonprofits. Video Production San Francisco. San Francisco Video Production.

A FULL-SERVICE PRODUCTION COMPANY

We are a creative production agency that helps companies define, create and broadcast compelling digital content for a global market — features, TV, commercials, corporate videos, motion graphics, 4 – 16K, still photography and rich-media advertising and entertainment.

As passionate film makers, we are first and foremost storytellers. And as a video production agency, Capitola Media defines success by how well we connect with our clients' target audiences, and then how well we convert those audiences into customers.

To achieve that, we leverage videography to create great visual stories that communicate, educate and entertain. Those stories then become powerful tools that help brands succeed. [Capitola Media](#) focuses on storytelling in every video project we design, from web commercials to high-quality corporate video productions and original, branded video content.

Drawing upon our deep experience in video marketing, advertising, entertainment and media production, we invest the time and the resources to find the most creative and effective approach to create and communicate our clients' key messages.

MARKETING AGENCY

Our most successful working partnerships stem from long-term relationships where our team becomes a creative extension of our clients' teams. Together, we conceptualize and produce a wide array of video marketing assets to support your marketing goals.

As a full-service video production company, Capitola Media captures content on site in San Francisco, Los Angeles or New York, and on location across the country and around the globe.

VIDEO PRODUCTION SAN FRANCISCO / SAN FRANCISCO VIDEO PRODUCTION

With over 10 years of experience, and considered one of the best video production companies in the San Francisco Bay Area, including San Jose and Oakland, Capitola Media's production team consistently delivers high-quality creative video content for all of its clients.

From product launch videos and testimonials to interactive social media content and animated videos, our creative agency will deliver the right solution for your company's needs.

Leveraging our efficient and proven production process, Capitola Media's in-house videographers are skilled at creating exceptional promotional videos, commercial videos, explainer videos, brand videos, marketing videos and live streams.

We strive to stay ahead of the curve by constantly exploring new production technologies and storytelling platforms to better serve our clients. Video Production San Francisco. San Francisco Video Production.

As your collaborative film production partners, we bring a wealth of agency experience to each and every project through the following professional video production services:

*• Concept Development, Storyboarding, Scriptwriting and Copywriting •
Pre-Production, [Video Production](#), Video Editing and Full Post Production • Virtual &
Live Event Production and Webcasting*

Capitola Media is your Los Angeles, New York and San Francisco Bay Area video production company. [Trust us to help tell your story.](#)

Capitola Media | Video Production San Francisco

Capitola Media

<https://capitolamedia.com/>

901 Battery Street, San Francisco, CA

94111

(415) 381-0595

Capitola Media is a full-service San Francisco video production company working with a wide variety of clients from Fortune 500® companies and Hollywood studios to Internet startups and non-profits.

Capitola Media helps companies define, create and broadcast compelling digital content for a global market — commercials, corporate, viral, sizzle, YouTube, social media, motion graphics, 4-16K, music videos, testimonials, aerial, drone, corporate interviews, product, promos, HD videos, webcasting, live events and still photography.

At Capitola Media, we define success by how well we connect with our client's audience, and then how well we convert that audience into customers. To achieve that, we need to create great stories that communicate, educate, and entertain. Those stories then become powerful tools that can help brands or organizations succeed. Capitola Media focuses on storytelling in every project we create, from web commercials to corporate video productions, and original branded content.

Drawing upon our deep experience in marketing, advertising, entertainment and content production, we find the most creative and effective approach to create and communicate our clients' key messages through. Video production San Francisco.

We bring a wealth of production experience to each and every project through the following services:

|                                                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                         |
