

Privacy Policy

It is getyoteam's policy to respect your privacy regarding any information we may collect while operating our mobile products. This Privacy Policy covers getyoteam's treatment of personally identifiable information ("Personal Information") and other data that getyoteam gathers when you are accessing getyoteam's Service.

What Personal Information Does getyoteam Collect?

Personal Information You Provide to Us:

We collect (via partner's SDKs) information, some of which may be considered as personal information. Such as but not limited to: OS version, phone resolution, advertising id, number of ads displayed in the past etc.

We do **not** store any personal information on getyoteam servers.

We do **not** sell or rent information collected independently by getyoteam. We do not share any user information collected independently by getyoteam with our advertising partners. Any information collected by our partners is strictly via their SDKs. This means that if you have logged in

and provided information about your email, gender, age or other personal information – we **do not** share it with our advertising partners.

Analytics

getyoteam utilizes analytics partners to collect, store and analyze analytical data. This data may include ID identifying unique installation on a device which will change if our apps are reinstalled or "Advertising ID" where applicable to uniquely identify each device to be able to track session length and other metrics for each device.

Information Collected Automatically:

When you use, getyoteam services, for **some** requests we automatically receive and record information on our server logs from your browser or mobile platform, including user agent, IP address, cookie information, and the URL you requested. We treat this data as non-Personal Information, except where we are required to do otherwise under applicable law. getyoteam only uses this data in aggregate form. We may provide aggregate information to our partners about how our customers, collectively, use our site and/or mobile applications, so that our partners may also understand how often people use their services and our Service.

Protection of Certain Personally-Identifying Information

getyoteam discloses potentially personally-identifying and personally-identifying information only to those of its employees, contractors and affiliated organizations that (i) need to know that information in order to process it on getyoteam's behalf or to provide services available at getyoteam's website and mobile platforms, and (ii) that have agreed not to disclose it to others. Some of those employees, contractors and affiliated organizations may be located outside of your home country; by using getyoteam services, you consent to the transfer of such information to them.

getyoteam will never rent or sell potentially personally-identifying and personally-identifying information to anyone. getyoteam discloses potentially personally-identifying and personally-identifying information only when required to do so by law, or when getyoteam believes in good faith that disclosure is reasonably necessary to protect the property or rights of getyoteam, third parties or the public at large.

In addition, if getyoteam sells all or part of its business or makes a sale or transfer of all or a material part of its assets or is otherwise involved in a merger or transfer of all or a material part of its business, getyoteam may transfer your personally identifying information to the party or parties involved in the transaction as part of that transaction.

If you are a registered user of one of getyoteam services and have supplied your email address, getyoteam may occasionally send you emails to tell you about new features, solicit your feedback, or just keep you up to date with what's going on with getyoteam and our products. If you send us a request (for example via a support email or via one of our feedback mechanisms), we reserve the right to publish it in order to help us clarify or respond to your request or to help us support other users. getyoteam takes all measures reasonably necessary to protect against the unauthorized access, use, alteration or destruction of potentially personally-identifying and personally-identifying information.

Security:
