Open Access Licences

Introduction to Creative Commons

Text version of Creative Commons Multiple Choice H5P

Question:

Select all the combinations of Creative Commons element icons in the image that reflect a valid CC licence.

Image description:

Six combinations of Creative Commons element icons are labelled A–F.
A: CC BY SA
B: CC BY ND SA
C: CC BY NC ND
D: CC BY
E: CC BY NC SA
F: CC NC ND

Answers:

A. CC BY NC

Tip: Creative Commons Attribution NonCommercial.

Answer: Correct

B. CC BY ND SA

Tip: Creative Commons Attribution NoDerivative ShareAlike

Answer: Incorrect

Feedback: This combination of elements is not a valid CC licence. The ND (NoDerivative) element prohibits sharing or publishing adaptations of a work, while the SA (ShareAlike) element only applies when licensing an adaptation.

C. CC BY NC ND

Tip: Creative Commons Attribution NonCommercial NoDerivative.

Answer: Correct

D. CC BY

Tip: Creative Commons Attribution.

Answer: Correct

E. CC BY NC SA

Tip: Creative Commons Attribution NonCommercial ShareAlike.

Answer: Correct

F. CC NC ND

Tip: Creative Commons NonCommercial NoDerivative.

Answer: Incorrect

Feedback: Attribution (BY) is a condition of use with all Creative Commons licences.

Correct answers:

A, C, D, and E
