Book Description:

Were you looking for the book with access to MyLawChamber? This product is the book alone, and does NOT come with access to MyLawChamber. Criminal Law clearly sets out the key topics your students will need to understand, unpicking the relevant case and statute law, whilst discussing the issues and academic debates that inevitably arise from this contentious area of law. The authors also provide criticism of the current law as well as discussion around reform. Need extra support? This product is the book alone, and does NOT come with access to MyLawChamber. This title can be supported by MyLawChamber, an online homework and tutorial system which can be fully integrated into an instructor's course. .
