HE UNDERSTOOD

Two Americans were travelling in Spain. One morning they came into a little restaurant for lunch. They did not know Spanish, and their waiter did not know English . They wanted him to understand that they wanted some milk and sandwiches.

At first they pronounced the word ‘’milk’’ many times. But the waiter could not understand them.

Then they spelled it . But the waiter could not understand them.

At last one of them took a piece of paper and began to draw a cow. He was finishing his drawing , when the waiter looked at it and ran out of the restaurant.

‘’Do you see’’, said one of the travellers, ‘’what a pencil can do for a man who has difficulties in a foreign country?’’

The waiter was back again some time after, but he brought no milk.

He put down in front of the two men two tickets for a bull-fight!
