

Rockoon

TOME

### Talents of demolition

Rockoon is the quirky online persona that Rodney has created as an inspiration to the cartoons that gave him a reason to smile. Slipping into a different role, Rockoon is everything that Rodney is not. Rockoon acts on impulse and treats everything as a joke and is extremely energetic. Rockoon is more assertive and confident. A wise cracking goofy cartoon character.

XR

Buzz Lightyear  
of star command

### Experimental Ranger

XR was created as a partner for Buzz Lightyear by the LGM. Originally the little ranger was copying Buzz, but after getting destroyed during a mission he developed his own personality. As the little green aliens would say: So many character flaws!

**Bio in progress**

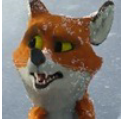

Eeyore

Winnie Pooh

### I was so upset I forgot to be happy.

Eeyore is hardly ever happy. Although he appreciates the effort his friends put in to cheer him up. Cynical, Eeyore does not like his tail which has a tendency to fall off but he agrees that nothing better can replace it. He also loves sad stories because they make him feel more appreciative of his life and what he has.

Fink

The wild robot

### the jerk wants to speak

Living a solitary life, Fink has put up so many barriers to protect himself from becoming hurt, physically and emotionally. Not just because of the environment the fox was raised in, but also because of the instinctual programming that guards him.

With time, Fink allows himself to put these walls down. Funny and sharp, the predator faces a challenging growth as he realizes he needs connection with other beings.

[Link to bio here.](#)

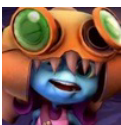

Pyronica

Gravity Falls / the book of Bill

### Quantum physics and arson. She's a pyro-brainiac!

Pyronica originally was from the periodic table dimension. She was a beauty queen who ended up burning her town down after getting second place and melted the metallic cops chasing her.

Pyronica wants to burn down the entire universe. Her arch enemy is her twin sister Hydronica. Everything she has touched melts in her clutches and she was legally declared as "too much".

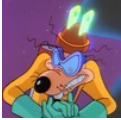

Susie

Ratchet and Clank

### Intergalactic Scout

An intergalactic scout who lives on planet Magnus, the young tharpod lost her parents during the raid on Tortem Fi. It was this incident where Susie decided to fight back for the sake of her planet. When Ratchet, Clank and Nefarious were brought to the minion training center, Susie set them free and helped guide them out. She tends to be reckless by running into danger, trying to lead an assault to avenge her parents but Ratchet managed to convince her otherwise.

Megavolt

Darkwing Duck

### Elmo Sputterspark

Megavolt has the ability control electricity. In addition to summoning lightning, he can activate and control nearby machines to do his bidding.

He is loud, forgetful, clumsy and absent minded at times. People call him crazy, insane, looney - and boy are they right!

Megavolt is also a skilled inventor, creating weapons such as the electro gun, The Electrolizer, A machine that granted him the ability to give inanimate objects life, and the Tronsplitter. Despite his mechanical prowess, he tends to rely on his powers to win a fight. When his powers become drained he usually retreats.

The Liquidator

Darkwing Duck

### Bud Flood

Bud Flood was once a crooked business man who owned a bottled water company in St. Canard. Taking advantage of a heatwave, Bud attempted to poison his competitors water supply, leaving only his own brand.

He was caught in the act by Darkwing Duck and Bud tumbled into the tainted chemicals, where he seemed to melt away and die.

Instead, he was transformed into a being entirely of water, blaming Darkwing for the incident.

The Liquidator became one of the most dangerous criminals in the city and is now able to control all liquids. He is able to change at will and objects usually go through him. He possesses numerous water related abilities, such as reforming when evaporated and when frozen, he commands constructs made of his

watery body. He also has the ability to heat or chill water and able to completely engulf an opponent.

Stegmutt

Darkwing Duck

### Just when you thought it was safe to commit crimes, a dinosaur!

Insert text here. Once the assistant of a mad scientist, in one of the experiments he was turned from a duck into a dinosaur. Convinced by Honker and Gosalyn that the scientist is evil, Stegmutt turns against him and later becomes a part of the Justice Ducks.

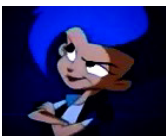

Louie

Jungle Cubs

### King of the apes

A mischievous young orang utan, Louie has a fun loving nature and generally down to party and enjoys a good adventure. A goofy prankster who is generally seen among the other cubs and Baloo's best friend.

Savy

Buzz Lightyear of Star Command

### the slayer

Life had always been rough for Savy, especially when you grow up in Tradeworld as a orphan who lives on the street. Savy learned quickly that survival is the only thing that matters around here and if you want to stay alive, you have to grow up faster. She is in possession of illegal weapons.

Romy

Pinky and the brain

### Cloned Mouse

A clone created by Brain, he eventually ran away from home because he has no interest in taking over the world and wants to become a ventriloquist instead.

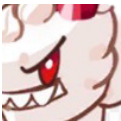

Matcha

Cookie Run

### Missing ingredient

Tea plants that grow in the dark have no other option but to feed on the energy of darkness. Leaves from such a plant were supposed to grant incredible dark powers to Matcha Cookie, but whoever made her seems to have forgotten an essential ingredient, and it greatly affected her personality. Cast aside as a failure, Matcha attempts to prove everyone wrong and trying to become more powerful.

Biscuit

Cookie Run (OC)

### Gentle Brute

[ Exclusive for multiverse-unlocked Red Velvet since plotted together ]

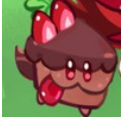

A cake wolf and one of Red Velvet's oldest companion, Biscuit was found by him in the wilderness when poachers attacked his pack to sell their parts at the market. The sole survivor of that incident and a runt, Red Velvet raised him and the wolf has grown stronger over the years.

Some may consider this wolf to be on the more aggressive side, which could not be further from the truth. Biscuit has a strong hatred for cookies regarding everything they did to his kind and is a fierce warrior. A stoic guard wolf, Biscuit tends to take his role incredibly seriously.

His softer side shows with his fellow cakes and

one can be surprised how gentle and levelheaded he can be.

Bio in progress.

Truffle

Cookie Run (OC)

### Sweet Delight

[ Exclusive for multiverse-unlocked Red Velvet since plotted together ]

A puppy choco cake hound that was created by Red Velvet, she lacks anything that would make her a soldier and is likely to attack you with joy and kindness. More on the playful side, Truffle has a tendency to get distracted and has a difficult time to stay on tasks.

A dog who loves just about anybody, this one is unable to join the battlefield. Unfortunately, due to her friendly nature she doesn't realize when she is in danger. If somebody has bad intentions, the puppy wouldn't realize it until it is too late. Some animals may sense if others are dangerous but it is something Truffle lacks..

Pepper

Cookie Run (OC)

### Healing Cake

[ Exclusive for multiverse-unlocked Red Velvet ]

Pepper has been with the cake legion for a long time and fought in the Dark Flour War. From the beginning, she was skeptical of Dark Enchantress and her motives and the war only confirmed the feelings she had regarding her.

She wants a better world for the cakes. But she does not want to burn everything into the ground.

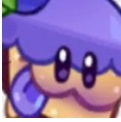

Although a capable fighter, she has seen the harm the wars caused for her kind and cookies, so she has sworn off fighting and instead focused on healing the cakes whenever they go into the battlefield.

Pepper understands that they didn't do themselves favors for their kind by joining Dark Enchantress and burning everything to the ground, so she tries to be patient when it comes to cookies, but she isn't tolerant of the harm cookies caused cakes and will make that clear. Her Patience can only last so long, after all.

Pepper loves tea and plants, especially for their

healing abilities or what you can do with them. She is mindful of what the ones she cares about likes and will always gift them something self made. She really hates the cold.

Bio in progress.

Blueberry

Cookie Run (OC)

### Cake of mischief

[ Exclusive for multiverse-unlocked Red Velvet since plotted together ]

A blueberry cake hound, she is quite the mischievous one and always up for a good prank. Highly energetic when she likes you, but she is not a dog that will just run up to any stranger and takes her time to observe. Trained to be a soldier, she takes that role less seriously and will get a kick out of confusing the enemy on the battlefield. It's helpful when you look to distract the enemy.

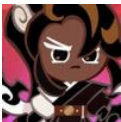

Cream Wolf

Cookie Run

### Loyal to the end

Crunchy Chip's comrade in arms, best friend and brother, Cream Wolf is incredibly loyal to him and would protect his friend with his life. He has spend most of his life around Crunchy and is a great judge of character.

Bio in progress.

Caramel Arrow

Cookie Run

### First Watcher

Caramel Arrow Cookie, the first watcher of the Dark Cacao Kingdom, will always protect the kingdom. A master of the Dark Cacao martial art tradition of the perfect balance and wielder of ttwin blades, the first watcher will protect the Dark Cacao Kingdom until the very last crumb..

Cakeberus

Cookie Run

### Three of a kind

A three headed cake hound, this beast is among the cake legion of Red Velvet. A scary beast to intruders, but affectionate to the ones considered a pack, this oversized puppy does not know its own strength and will probably crush you even when excited.
