

# FANWAR LARP Resources Doc 2024

This doc is intended to allow players and helpers to access needed information for their characters, the game world, the rulings and current abilities for classes and the many different elements of the game that are constantly changing, upgrading, developing, and improving. It is intended to be used by all to allow full access to as much information as possible without compromising the wonderful secrets and discoveries to be made within the game. Enjoy!

If you want to know how official the document you are viewing is, look for this symbol at the top to know if it has been reviewed. ■ = Completed, ■ = Being Playtested, ■ = Untested but currently used in theory.
