The good news is that we only release the Raw Data now - with all six school houses on parity with student volumes.

NCIS PRIMARY Representative Athlete Roster

[LAGS entries by name](#)

[LAGS entries by event](#)

[Relays](#) (+2 reserves)

Please note that NCIS is a qualifying meet - parents need to ensure that swimmers with the same name are in Swim Central Membership to be able to upload their results. For eg, Ben Jones on the list but Swim Central membership is Benjamin Jones (made up name as an example). If swimmers have preferred names and shortened names on this list than their Swim Central memberships their results will not be uploaded.

Also, note that there are strict Qualifying Times for the 200m Individual Medley:

- Junior Boys and Girls QT <4:00.00
- Senior Boys and Girls QT <3:00.00

So we have only added in the swimmers who have met the Qualifying Times for NCIS.
