Privacy Policy

Followers Insights built the **Followers Insights** app as a free application. This SERVICE is provided at no cost and is intended for use as is.

This page is used to inform visitors regarding policies with the collection, use, and disclosure of Personal Information if anyone decides to use this Service.

If you choose to use this Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that may be collected is used for providing and improving the Service. Information will not be used or shared with anyone except as described in this Privacy Policy.

Information Collection and Use

For a better experience while using the Service, certain information may be requested. This may include, but is not limited to:

- IP address
- Device information
- Operating system version
- App usage statistics

This information is used to operate and improve the Service.

The app does not collect or store Instagram login credentials directly.

Log Data

Whenever you use the Service, in case of an error in the app, data and information may be collected on your device called Log Data. This Log Data may include information such as your device Internet Protocol (“IP”) address, device name, operating system version, the configuration of the app when using the Service, the time and date of use, and other statistics.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your device from services that you use and are stored on your device's internal memory.

This Service does not explicitly use cookies. However, the app may use third-party code and libraries that use cookies to collect information and improve their services.

Service Providers

Third-party companies or individuals may be employed for the following reasons:

- To facilitate the Service
- To provide the Service on our behalf
- To perform service-related services
- To assist in analyzing how the Service is used

These third parties may have access to certain information in order to perform tasks assigned to them. However, they are obligated not to disclose or use the information for any other purpose.

Security

User trust is valued in providing information, and commercially acceptable means are used to protect it. However, remember that no method of transmission over the internet or electronic storage is 100% secure and reliable, and absolute security cannot be guaranteed.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by this Service. Therefore, it is strongly advised to review the Privacy Policy of these websites.

No responsibility is assumed for the content, privacy policies, or practices of any third-party sites or services.

Children's Privacy

This Service does not address anyone under the age of 13. Personal information from children under 13 is not knowingly collected. If it is discovered that a child under 13 has provided personal information, it will be immediately deleted.

If you are a parent or guardian and are aware that your child has provided personal information, please contact us so the necessary actions can be taken.

Changes to This Privacy Policy

This Privacy Policy may be updated from time to time. Users are advised to review this page periodically for any changes. Changes are effective immediately after they are posted on this page.
