#### FINAL EXAM

- Students are to be in class during the entire end of semester exam schedule. Students will not be allowed to leave early if finished with the exam.
- No Passes
- Students who do not have documentation of an absence are to receive a 0 for the final exam.

#### AUDIT

**TYPICALLY**, a student who has accumulated 10 or more absences during the semester will receive reduced credit unless they have demonstrated proficiency with consideration of trend data over the course of the semester. Students must take the final exam and demonstrate proficiency if wanting to receive full credit for the class.

#### CELL PHONE:

Students are not allowed to have their cell phones on their person. Students are to store them away with the teacher and have them turned off or left in their locker or at home. At the end of testing, students will receive them back.

Students having their cell phone on them during the final exam will receive disciplinary action in accordance with our student code of conduct.
