Interactions in the Atlantic

APWH Unit 2  
9/24/2024

Accounts of the Conquest of Mexico: Analyze the documents from the conquest of Mexico. Note that some are written by Spaniards, while others are written by indigenous people.

1. How did Europeans and natives interpret or try to make sense of their first encounters? How did their impressions and interpretations seem to shape their interactions?
2. Historians continue to debate various aspects of the conquest of the Aztec Empire. Why do you think it is so difficult to understand what happened and why?

Interactions in the Atlantic World: Analyze the sources and discuss how Europeans, Africans and Indigenous Americans viewed and tried to make sense of one another.

How did Europeans portray, react to, interact with, and/or try to explain indigenous peoples & cultures?	How did Africans and Indigenous Americans react to, interact with, and/or try to explain European peoples & cultures?
