## Instructions:

1. **Die-cut the flowers:** Cut the smallest multi-flower die twice from Petunia Pop Two-Toned Cardstock—once from each side of the paper. Die-cut the **outline flower** from the lighter side and the **solid flower** from the darker side.
2. **Die-cut the greenery:** Die-cut two sets of leaves and stems from Granny Apple Green Two-Toned Cardstock—one from each side of the paper.
3. **Stamp the greeting:** Ink the greeting words "Happy" and "Day!" with Lemon Lolly Ink. Stamp multiple times, using transparent tape to mask off the word you don't need each time.
4. **Assemble the card:** Adhere the stems and leaves to the card front using liquid adhesive. Add the flowers as shown. Along the bottom of the card, place the smallest flowers, alternating colors.
5. **Embellish:** Add Strawberry Slush Gems to the center of each flower.
6. **Finish up:** Stamp the inside of the card and the envelope to coordinate.
