Audience Response

Please summarize any comments from the audience. **If you have a good picture from the program, please include.**

Character Limit: 4000 | File Size Limit: 5 MB

Was the speaker interesting and informative?

We strive to get the most interesting and engaging speakers. We want audiences to learn and reflect on each conversation. Please rate the level of interest for the speaker's content and style.

How well did the speaker avoid advocacy?

New Mexico Humanities Council discourages programs which advance “advocacy” in the sense of openly calling for the implementation of a specific course of social or political action. However, we welcome conversations which demonstrate “advocacy” in the sense of presenting topics that stimulate critical reflection.

Did the speaker encourage discussion and engage in conversation?

All of our speakers should get the audience to participate in conversation and ask questions. Please rate the speaker's success actively engaging the audience.

Rate the information content in the speaker's presentation.

All of our Speakers Bureau speakers should be experts in their fields. How well- researched was the content of the presentation? Was the speaker able to answer questions and point the audience toward more resources?
